1ST ANNUAL
CHIPSTRONG
FOUNDATION

GOLF OUTING

Dear Prospective Sponsor,

Chip Garrow created a foundation called CHIPSTRONG He made it his mission during his life to remind those around him to never give up and to always help those less fortunate.

Chip will always be remembered for his heart of gold, a true hero and fighter. Chip was a volunteer firefighter and worked full time for the Town of Greenville Parks Department. He loved the outdoors, landscaping, adventure and most importantly helping others.

Chip spent a great deal of his life fighting cancer. Through CHIPSTRONG he raised money to give back. He often times brought gift cards for others to his weekly chemotherapy appointments and gave them to random strangers in the cancer center to brighten their day.

Please take a moment to view the CHIPSTRONG ICE BUCKET CHALLENGE on YouTube.

It is in his honor the CHIPSTRONG will live on serving community by:

- Helping local cancer patients & families in need
- Providing future scholarships for FVTC fire program in Chip's honor
- Random acts of kindness in our community

Please help us in raising funds for the CHIPSTRONG FOUNDATION by becoming a Hole Sponsor during our foundation golf outing for CHIPSTRONG to be held on Saturday, September 24, 2022 at Winegamie Golf Course. We are so appreciative of your willingness to help!

— Thank you —
